

WILLIAM O'SHAUGHNESSY

June 12, 1984

Dear Mr. Cooper:

Thank you for your reception report.

I am delighted to hear that WRTN makes it all the way up to Provincetown.

I am a great fan of your lovely little town and I visit often. I usually stay at Dyer's Beach House on the harbor with Philip & Mary Henrique and I love to eat at Front Street and the Mews.

I also seem to recall meeting Philip's nephew who expressed an interest in radio and who did some technical things with WOMR.

I thought you might be interested in the enclosed about our stations.

Thanks again for your nice note. It made us all feel great.

Yours,

*William O'Shaughnessy*
