Dear Mr. Cooper:

Please forgive my delay in answering your letter of July 2, 1996. We have been very busy with the move of our studio to the new location and filing for a renewal of our license.

I can verify your entry at 6:33 AM on July 2, 1996. However the broadcaster on duty cannot recall any mention of Highway 412 or a new municipal building and to my knowledge we have no PSA's or Underwriting Announcements wich contain that information. I did forward a copy of your letter to Pete Cooper, an underwriter and he posted it in his place of business.

Thank you for your letter and I will be discussing it on the air this Saturday on my big band show.

Very truly yours,

Donald F. Littman, Secretary
