Mr. Ernest R. Cooper
5 Antohny Street
Provincetown, Mass. 02657

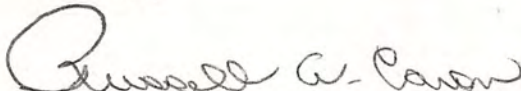

Dear Mr. Cooper:

Thank You for your reminder of the reception report you sent to us over a year ago! Unfortunately, we receive a number of such reports every week and it becomes rather difficult to answer all request for a letter. Most require only promotional material from the station. In any case, thank you again for you reminder and for your patience.

A review of your reception report does indicate that you were, in fact, listening to WQEQ-FM. I've taken the liberty of forwarding a Bumper Sticker for your collection.

As a transplanted New Englander (Maine), I can certainly see why you are enjoying life. It is my eventual desire to get back home and stay there.

Regards,

RUSSELL A. CARON, C.E.O.
