Dear Mr. Cooper,

This is to verify that you did hear WRTI-FM in Philadelphia, Pennsylvania. At the time we were broadcasting at 5,000 watts. In November of 1982 we increased our power to 20,000 watts.

On the band music situation I would suggest that you contact Temple's Music school and/or the athletic department for more information.

Sorry for the delay.

Sincerely,

Vincent C. Thomas
Station Manager
