

WWDB 96.5

THE TALK STATION FM

July 17, 1989

Dear Mr. Cooper:

You may now add WWDB-FM 96.5 to your impressive and growing list!

I'm delighted that you took the time to let us know that we have a fan in "P" Town.

I'm for giving WTIC a breather anytime mother nature allows so that "The Old Left-Handed Bandmaster" can sample Philadelphia's best... WWDB!

Enclosed, too, please find a coverage map and your stamp back. We can afford to say thank you to a Cape Cod fan!

Here's to 57 more years of enjoyable listening.

Regards,

Charles D. Schwartz
President & General Manager
