Hi Mr. Cooper,

Thanks for your correspondence! Yes.. the old WNEF is now the NEW WNCK FM, (WINK!). The ownership transaction took place February 9, 1986. I, Steve Raymond, am the Program Director for WINK and so far our reception here in Woonsocket has been great. Yes.. WWON AM is now a full service (24 hour) facility at 1240 AM. I thought for your enthusiasm, that I should respond on the old letterhead from the WNEF days. Great for your scrapbook? Anyway, it was great to hear from the beautiful village of Provincetown and pass the word!

Sincerely,

  
Steve Raymond
