Dear Mr. Cooper,

Just a short note to let you know it was WYFG, FM 91 you heard on May 29. As a matter of fact it was my voice you heard! It is really amazing what radio signals will do sometime!

Enclosed is an old program schedule which shows our coverage area and a more up-to-date schedule is included as well. Also some of our other literature is enclosed.

As you can see from our literature we are a Christian network station. We have two new stations coming on line later this year: WYFB in Gainville, FL and WYFS in Savannah, GA. We receive the majority of our programming from our headquarters in Chesapeake, VA via Westar III satellite.

Thank you for your letter and keep scanning those air waves!

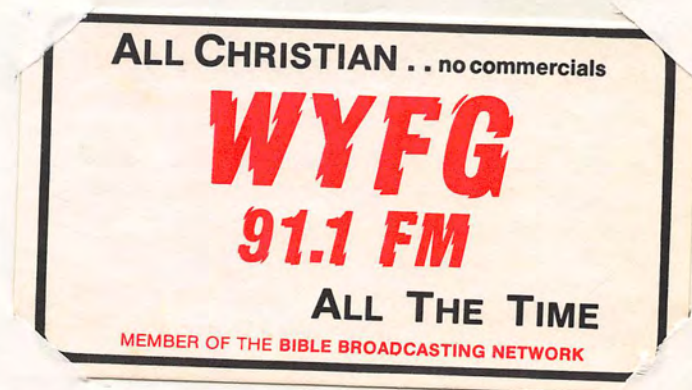

Sincerely,

Tim Trogdon
