Dear Mr. Cooper,

Dave Leonard forwarded your letter of September 6th to me, and having checked our Program Log, can confirm that you were tuned into to KESD-FM, Brookings on 7/2/91.

KESD-FM at 88.3 is one of ten stations in the South Dakota Public Radio Network.

There apparently was extensive Solar Storm activity early in July as I did here from 2 other DXer's in your area.

Glad to be your 38th state...

Sincerely,

Larry Rohrer
Director of Radio Broadcasting
