Dear Mr. Cooper:

How exciting to receive your letter!

We can definitely verify that you did hear WEVL on Tuesday, July 7th, at 6:45 pm. The program you heard was "Strength through Unity."

Enclosed is a map of our coverage area, although we have been heard farther than shown on this map.

Also enclosed is a program guide, just in case you pick us up again.

I have posted your letter on the bulletin board for all to see.
