Dear Mr. Cooper,

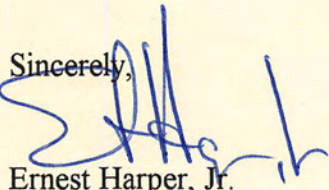

I am writing to thank you for your letter. I want to confirm that you did indeed monitor WIGH-FM on the morning of July 2, 1996. The program you were listening to was a reading from The Crockett Times newspaper in Alamo, TN.

WIGH-FM is one of only three stations in the United States which provides a Radio Reading Service to visually and physically impaired persons. Our programming consists of readings from local and national publications and informational programs.

Please find enclosed a copy of our program schedule and additional information on our service.

Thank you again for taking the time to let us know of your reception. I would like to extend to you an invitation to visit our studios if you are ever in our area.

Sincerely,

Ernest Harper, Jr.
