Dear Sir;

Thanks for your warm and informative letter of 2 April 1986.

This will serve as a verification of your reception of WCMS FM on 1 April 1986.

We hope to have WCMS AM on 24 Hrs a day by the fall of 1986; however, the power that will be radiated in that direction will be rather small, as we have to protect WHN.

Sincerely

C.R. Mills Jr.
