Mr. Cooper:

I am confirming your reception of WKHK July 29, 1985 from 2:51 to 2:55am. It's good to find that I'm not the only non-working person awake around 3! It sounds as though you are extremely active in what you enjoy. Take care, and may you have many more happy years DXing.

Sincerely,

A handwritten signature in red ink, which appears to read 'Nick', is written over the word 'Sincerely,'.
