Good Morning Mr. Cooper!

This is a confirmation of your reception of WKRE-FM on May 27th. All of the staff at WKRE enjoyed your letter and found your involvement in radio most interesting.

Concerning your verification of WESR 1330 in 1959, this is not our old station, however, prior to January 1, 1984, we were WEXM-FM. WKRE-AM is currently off the air due to the recent construction of new FM facilities.

Once again, thank you for your interest in WKRE, included with this letter is the coverage map you requested.

Sincerely,

A handwritten signature in black ink that reads "Bill LeCato".
