Dear Ernest,

Please consider this a letter of verification of your letter dated July 13, 1981.

We were very pleased to receive your detailed letter and glad to know you were able to enjoy WXRI-FM all the way to Provincetown, Massachusetts!

We sincerely appreciate your detailed report. You may be interested to know that WXRI-FM is the flagship station for Continental Radio, a satellite radio network, which will be launched in September. Perhaps we'll have an affiliate in your area sometime soon!

The pamphlet you enclosed is, indeed, very interesting. Thanks for your thoughtfulness!

Enjoy your DXing!

Sincerely,

Larry Logemann
Director of Engineering
