Dear Mr. Cooper:

Please forgive the delay in getting back to you with your request for verification of reception.

Yes, you were listening to WRVT-FM 88.7, the third of VPR's radio stations in Rutland, Vermont. Unfortunately, I have no coverage map of WRVT to offer. The station broadcasts at 3,000 watts the same as WVPR.

Thanks for searching us out. Happy DXing.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Chris Wienk', is written over the typed name.
