

WISCONSIN PUBLIC RADIO

A service of the Wisconsin Educational Communications Board and University of Wisconsin-Extension

Dear Mr. Cooper:

First, I am sorry for the delay in this letter. There was some delay in my receiving your letter. Though some of our Wisconsin Public Radio stations are licensed to the Wisconsin Educational Communications Board, all programming and staff are at the University of Wisconsin-Extension offices at the address on this letter. In future if you hear one of our stations, if you send your inquiry to my attention at this address, I promise a much speedier answer.

Second, I am pleased to verify that you were indeed listening to WHSA on July 2, 1991. The phone number is our listener line and our host Jean Feraca was indeed talking on the subject of teaching children about the legal system.

Good luck with your listening and I hope I will have the opportunity to confirm other of our stations for you in the future.

Sincerely,

Mary Moore
Administrative Assistant
