REQUEST LINE 346-2696

July 28, 1993

Ernest R. Cooper  
5 Anthony Street  
Provincetown, MA 02657

Dear Sir,

This letter confirms your reception of WWSP on Thursday, June 24 1993 at 5:05 PM. I have been a contract engineer for WWSP since 1970 when I was attending the University as a student in Communications. I recall the night you received us very well since I was busy keeping WWSP as well as other stations on the air during the severe weather.

WWSP is a student run radio station and is totally funded through student activity fees. You may have heard of the station before, as it is nationally known for having the largest radio broadcast Trivia contest in the United States every Spring.

Before I became involved in the technical end of radio, I also used to be a DX-er of the AM band and was a member of the IRCA. This was back in the 1960's so I'm not sure if it is the same club that was in existence back then.

I'm sorry I'm not able to send you a coverage map as WWSP presently doesn't have any.

Sincerely,

A handwritten signature in cursive script that reads 'Erich Westenberger'.

Erich Westenberger  
Chief Engineer, WWSP
