Dear Mr. Debelstein:

So very pleased to have your report of reception of our frequency check on November 8, 1972, from 4:05 a.m. to 4:15 a.m., Central Standard time, and confirm that your reception was correct.

Our prior check in October was received by a gentleman in Omaha, Nebraska--not sure which is more distant to our location, yours or his. Two receptions have been reported from Ontario, Canada.

Wish I could reply to your reception in a more technical manner, but I pulled the FC for our engineer.

Sincerely,

  
James Heath, PD
