

2-24-90

Mr. C. Dabelstein:

Thanks for your letter. I have confirmed from program log on date of Jan. 16, 1990 that your reception of KAAB-AM of Batesville, AR is valid. KAAB operates at 1KW Daytime directional on 1130 Kilohertz and from 6AM until Sunrise when needed at 19 Watts. Format is Commercial AM and completely music, news and ministry devoted to the Gospel of Jesus Christ, Creator and Messiah. KAAB was licensed originally Summer of 1980 and operates 2 tower directional with a Harris MW-1 Transmitter. I have been Chief Whiz since 1981 with FCC gen Cmcl PG 17-18103 and amateur Extra AA5EM. 73's Jack Oyler *JO*
