Dear Sir:

I am pleased to verify your reception on 1450 kilohertz on the morning of January 2, 1983 at 5:59 a.m. Central time. Your summary of reception corresponds with our program schedule on KENA.

Enclosed is a copy of the KENA program log for that period of time. The operator on that morning was Dwight Douglas. Enclosed also is a "Rate Card" for KENA, which included a brief discription of Mena.

If your ever passing thru our area please stop by the station,

Very truly yours,

Bill Kimp, C.F.
