Dear Carl:

Thank you for your letter of February 16th in which you stated you heard KFAY 1030 AM Stereo in Overland Park, Kansas. This letter is to confirm that reception.

KFAY was at 1250 KHz until December of 1986, at which time we changed frequencies to 1030 KHz and increased power to 10,000 watts.

Enclosed please find a KFAY bumper sticker and also a KKEG (our sister Station at 92.1 FM) "Razorback" sticker...from the "Razorback State"!

Thanks so much.

Sincerely,

Tim Anthony
