Omaha 44, Nebraska

Dear Mr. Dabelstein:

Thank you for your letter letting us know that you heard our broadcast last week. Please overlook my rather impersonal method of acknowledging this time: I'm afraid I'm rather slow in getting to all of my mail due to the pressure of other things in this business.

KFIF is a daytime 50,000 watt. We hope to go fulltime, with reduced power, sometime in the near future. Our tower is 380 feet high and is located some 15 miles north of our studios in Tucson.

It was a sincere pleasure for us to hear from you.

Very truly yours,
