Dear Mr. Dabelstein,

We received your letter yesterday saying that you had picked up KFLT on your radio. We are sorry that your first letter did not reach us.

Your reception announcements are indeed accurate, and we are delighted that you could receive us, even for a short period.

Enclosed please find a book mark, bumper sticker, other stickers, and a type-written program guide. Our usual printed program guides have not arrived as yet. I am also enclosing a pen.

Thank you for writing.

In Christ's Service,

Ken Hettinga
