

# TGNA

Box 601, Guatemala, C. A.

Tels. 42-7-45 - 44-3-78

Cable GUACAM

Dear Mr. *DABELSTEIN*

We received your report of reception and having checked it, it corresponds with our logs.

TGN and TGNA both operate with a power of 10,000 watts. TGNB has 5,000 watts. We have our studios here in Guatemala City and our transmitters are located approximately 15 kilometers from the city, in a town called Petapa.

We are currently using a quarter wave vertical antenna for our standard broadcast frequency and folded dipoles for our short wave frequencies.

Thank you for your reception report. Enclosed you will find the information that you requested.

Very sincerely yours,

David Keeler  
Recording Engineer

Facts:

The Quetzal is the national emblem of Guatemala. This bird seldom survives in captivity, hence, symbol of liberty.

"If the Son (Christ) therefore shall make you free, ye shall be free indeed".

John 8:36.
