Dear Carl,

This is to verify your reception of our radio station on February 21, 1962 from 5:27 P.M. to 5:30 P.M. our time on 1580 kcs.

Our records show no previous communications from you, they were probably lost somewhere along the line before reaching our hands.

We have no coverage maps at the present time, and will be, therefore unable to comply with your request for one.

Yours truly,

Robert H. Dye  
Chief Engineer
