Dear Mr. Dabelstein:

This letter confirms your reception of KQIL on November 20, 1974 at 1:30 am MST.

KQIL was running 250 watts at the time of your reception. Our new 446 foot 5/8 wave tower seems to get out quite well.

Thank you for your report.

Sincerely,

*Bob Goodrich* K7KMQ

Bob Goodrich  
Chief Engineer.
