

KZ-100 your music

November 10, 1983

Carl W. Dabelstein
8209 West 78th Street
Overland Park, Kansas 66204

Dear Carl,

This letter is to verify your reception report of KRDZ/KZ-100, Hayden, Colorado, on November 5, 1983, at 5:35 pm (Central Standard Time).

KRDZ/KZ-100, operates on 1000kHz, with a power of 10,000 watts, non-directional/daytime. At the time of your reception report, we were operating with 9,100 watts (critical hours).

KRDZ/KZ-100, began broadcasting July 1, 1983. The studios are in downtown Hayden, and the transmitter site is 3 miles east of town on U.S. Highway 40. We are also broadcasting in "AM STEREO" using the Motorola "C-QUAM" system.

Thank-you for your report.

Sincerely,

Robb Zellmer
Station Manager
KRDZ/KZ-100
