

JANUARY 22, 1991

Dear Carl,

Reception verified of KBZN AM 760 on Jan. 15, 1991. Your cassette tape was more than adequate as proof!

Isn't there a daytimer on 760 in your area? They must have been off the air.

We're going to 50 kw day pretty soon, but probably won't sent any more signal your direction.

Best Regards,  
Bill Harris  
C.E.

Your Stamp is enclosed.
