Dear Mr. Dabelstein:

Sorry for the delay in responding ... but congratulations. We are happy to confirm your reception report of WVCG radio on October 24, 1979.

WVCG operates with 50 kilowatts daytime and 10 kilowatts nighttime with a 6-tower directional antenna array. Our transmitter site is located in the heart of the Florida Everglades.

Thank you for taking the time to write us and happy DXing!

Sincerely,

A handwritten signature in black ink that reads "Mitch Wein".
