Dear Mr. Dabelstein:

Pleased and surprised to receive your letter telling us you had received WCLB way out there in Kansas. Your reception of WCLB is definitely verified from this end. On the morning of November 19, we signed on promptly at 7:00 a.m. EST (6:00 for your time zone) with our taped sign-on announcement which begins exactly as you heard it.

Incidentally, the test tone must have been someone else's. It does sound coincidental, but it wasn't ours. The signal was, though.

Flattered to hear from you. We do our best down here in Georgia (especially with our football teams, considering the seasons of the Bulldogs and the Atlanta Falcons).

Good luck,

Ed McMinn
General Manager
