Dear Sir:

This is to verify your report on receiving our signals on January 6, 1979 from 12:23 a.m. Central Standard Time till 12:35 a.m. We are pleased to know that our signals could be heard in Kansas while we were equipment testing.

We also plan to be on the air for testing on Monday Morning February 12, 1979 at the time you suggested in your first letter. We are then hoping to hear from several DX listeners from around the country.

Thanks for your signal report and for letting us have a part in your hobby. If we can assist you further please let us know.

Yours truly,

A handwritten signature in cursive script, reading 'John G. Cunningham', is written over the typed name.
