

10,000 WATTS/1530 KC

RON ARNOLD
VICE PRESIDENT AND
GENERAL MANAGER

10-29-75

Carl Dabelstein:

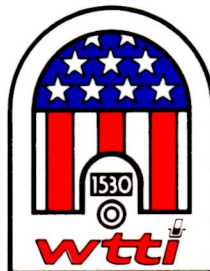

Thanks for your letter. I was not here on the date that you indicated, April, 29, 1974. However, after checking back in the logs, I find that the engineer that was here at that time was testing. So it looks like that you did here us.

Thanks, and If I can be of help to you, please let me know.

A handwritten signature in cursive script, appearing to read 'Larry Richter'.

Larry Richter D.E.
