Dear Mr. Dabelstein:

This will verify your reception report of KCIM on October 26, 1962 at 2:15 P.M. C.S.T. It is interesting to hear from you DX'ers so we have an idea of how far our signal travels. I was glad to show you around the station. Good luck to you, and the rest of the fine members of the National Radio Club.

Sincerely,

Roger Belke
