Dear Mr. Dabelstein:

Your recording of KAYT Radio on Oct. 23, 1972 between 6:30 am. and 6:42 am. M.D.T is in agreement with our program log for that day. The announcer that morning was John Hadden.

I have checked the file and find no previous letter from you in it, so perhaps your previous letter was lost in the mail. It has never reached my desk.

Yours very truly,

*Jackie Allen*
