This letter will serve as verification of your reception report. A check of your report against our log confirms that you heard WCSJs test broadcast transmission for the National Radio Club on 1550 Khz between 2:19 am CST and 2:30 am CST on November 11, 1974.

WCSJ is a 250 watt daytime station serving the Grundy County Area. It was a pleasure to run the test broadcast for the N.R.C. Thank you for your reception report.

Sincerely,

Bob Cooper  
Chief Engineer, WCSJ
