Dear Mr. Dabelstein:

This letter is to verify your report of hearing our frequency check with Commerical Radio at Lee's Summit Missouri December 5, 1971 from 12:51 a.m. to 1:00 a.m. Your report is verified with our Maintenance log.

WDAN was sold last November and we were very busy in December remodeling our old studios at 1501 North Washington Avenue, where we moved February 15th.

Yours truly,

H. William Shoup
Chief Engineer.
