Mr. Carl Dabelstein
12524 C Street
Omaha 44, Nebraska

Dear Mr. Dabelstein:

We have received your letter reporting that you picked up a signal from our sister station, WIOK in Normal, Illinois.

This station is still under construction and we are unable to send you a coverage map since they have not been returned from the printer as yet. However, your frequency report is correct and we were pleased to receive your letter.

Sincerely,

DELORES LAWSON
Secretary
