Carl W. Dabelstein
3300 N. 56th St.
Lincoln, Nebraska 68507

Dear Carl:

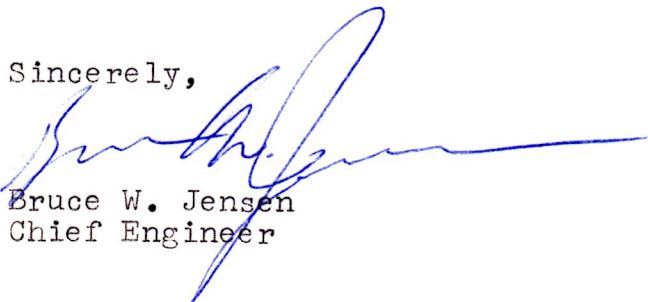

I am pleased to confirm your reception of WJOL AM from 1:58 AM to 2:05 AM CDT on February 24th, 1975.

Our power output at the time of your reception was 250 Watts.

We are always glad to receive DX reports on our station, we don't receive too many reports from points as distant as yours. This is due to the large amount of stations operating on 1340KHz.

Good Luck in your future DX's.

Sincerely,

Bruce W. Jensen
Chief Engineer
