Omaha, Nebraska 68106

Mr. Dabelstein:

We are pleased to hear that you received our station WKEI on August 9, 1967 from 1:17 AM to 1:25 AM. This report is correct as we were conducting a test at that time.

WKEI AM operates on 500 Watts throughout the day and 250 Watts at night. We sign on at 5:25 AM and sign off at 10:05 PM. Our programming includes a wide variety of music, sports, and news.

WKEI FM--The Sound of Beautiful Music--operates on 3000 Watts and broadcasts separately from WKEI AM from 8 AM to midnight.

Thank you for reporting your reception of WKEI.

Sincerely,
Milton Nicholas
