Dear Carl;

I received your letter today, and I would like to verify your reception of WROY-AM. The sign on announcement that you included was almost exact to our sign on.

WROY-AM is a 1 kilo watt daytime station, our antenna current is 3.73 amperes and 72 ohms resistance. The transmitter is located approximately one mile west of Carmi on U S Highway 14 near Carmi and our studios are downtown.

We also operate WRUL-FM a 50,000 WATT SuperCountry station 97.3 FM.

Thank you for your letter!

Sincerely

IRMA J DENNIS
