Radio Station W I T Z

Jasper, Indiana 47546

Gentlemen:

I am pleased to report reception of your station on April 12, 1974
from 6:16 a.m. to 6:17 a.m. Central Daylight Time on 990 kcs.

Items and announcements heard on this broadcast are as follows:

6:16 Sign On Announcement-"Good Morning. At this time W I T Z begins its broadcast day. W I T Z AM operates on its assigned frequency of 990 kilohertz with an authorized power of 1,000 watts....on U.S. Highway 231. This is Tom Milikan(?) inviting you to stay tuned for the very best in entertainment."

I am sorry that I was unable to get a better logging on your station, but you were quickly covered up by the interference.

If you find this report to be correct and to your satisfaction, I would appreciate receiving a brief letter or card stating that my reception is verified. I have 1,570 verifications, including 29 from Indiana. Yours would be a most welcome addition to my collection.

Carl: Tell me to verify the above.
