Dear Carl,

Let this letter serve as verification that you received our broadcast on September 5, 1964.

WJVA is one of a chain of stations owned by the Booth Broadcasting Corporation in Detroit, Michigan. We are located in South Bend, Indiana approximately  $2\frac{1}{2}$  miles southeast of Notre Dame University.

We have one tower 200 feet high and use a Collins AM transmitter and a Gates FM transmitter.

I am sorry it took so long to answer your letter but we have been doing some extensive remodeling and the verification letters got mislaid.

I am enclosing a coverage map, a decal and some other material. Our next frequency check will be the First Saturday Morning (1 A.M.) in December.

Sincerely,

Stephen Grundtner Jr.  
Chief Engineer
