Dear Mr. Dabelstein,

Thank you for your report of reception of our test transmission on December 9, 1974.

Your report is correct and so you can add WTCA to your list of Stations confirmed.

I am sorry that we were only 50% readable, however, I am not surprised since the channel is full of QRM and we are only 250 watts.

Since we have no QSL cards please use this letter in its stead.

Lots of luck in your DX quest of Broadcasting Stations.

Sincerely yours,

Kenneth E. Kunze,
Gen. Mgr., C.E. &
