Carl Dabelstein
12524 "C" Street
Omaha 44, Nebraska

Dear Carl;

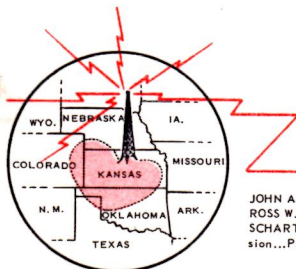

Thank you for reporting your reception of KFRM Radio on September 2, 1963 from 3:55 pm to 4:10 pm.

KFRM uses a directional antenna system with three towers, self supporting, each tower is 316 feet high.

You probably picked up KFRM on our back lobe. A coverage map is inclosed.

Sincerely,

Les Svoboda
Chief Engineer, KFRM
