January 18, 1977

Carl W. Dabelstein  
Overland Park, KS

Sir:

According to our logs you were indeed  
listening to KIKS on 14 January 1977.

It is indeed surprising that you could hear  
our signal with the terrific smear that  
KCNW has in that area.

Thank you for your letter.

Regards,

Michael P. Russell  
General Manager
