Carl Dabelstein  
12524 "C" Street  
Omaha 44, Nebraska

Dear Carl:

This is your letter of verification. One problem though, is that at 5:00 p.m. KRSL does not have news. What you might have heard was a program entitled "Movie Billboard". This is a talk show that deals with movies that are playing in Russell. At the time of your report, KRSL was having rain showers.

Sincerely,

Bill Hanrahan  
Chief Engineer KRSL
