Dear Sir:

I apologize for being slow with this letter; but I was waiting for a sufficient number of replies from your club members. To date I have only received your report and two from Colorado.

From your brief log I can confirm your report of receiving KSAJ-AM on January 24.

I am enclosing a coverage map/fact sheet in lieu of a bumper sticker. Glad we were able to accommodate you. Best regards and good listening in '87 !

Sincerely,

E. Joe Eck, AIØA
