Mr. Carl Dabelstein,
12524 "C" Street,
Omaha 44, Nebraska.

Dear Mr. Dabelstein:

This will acknowledge and confirm your letter concerning the reception of our station.

We are happy that you heard us at the indicated time and appreciate your reception report.

For your information, WFUL operates on 1270 with one kilowatt daytime only. WFUL-FM operates on 104.9 at 500 watts. Our antenna is a 200-ft Wincharger tower. Our equipment is mainly Gates.

Again, thanks for tuning us in.

Sincerely,

Kenneth Z Turner.
