Carl W. Dabelstein  
8209 West 78th St.  
Overland Park, KS 66204

Dear Carl,

Thank you very much for your reception report on our recent test transmission.

We were especially interested in how our signal would fare in WDDE's and KSTP's pattern areas; they both have very deep nulls our way. We got a call from Omaha during the test, as well as calls from Connecticut, Ontario (Dr. Tom), Pennsylvania, Michigan, Indiana, Illinois, and North Carolina.

The fiddle music you heard was "Rutherford's Reel" played by Jim Gaskin, G.M. of WIRV 1550 Irvine, Ky. who plays lead fiddle with Asa Martin and the Cumberland Rangers. Asa recorded over 1000 records in the 1920's and 1930's.

I am very happy to verify your reception of WKXO, 1500 kHz., 250 Watts ND, from 12:30 to 12:45 a.m. E.S.T., February 14, 1977.

Thanks again for your valuable report.

73 and gd DX,

*Chris Bobbitt*
