Sir:

This is to verify your reception report
of WLBT, 1410 KHz, on October 13, 1967, from
12:14 AM to 12:24 A.M. CDT.

Incidentally, I am more than
familiar with the Hallicrafters SX-71. They
are great receivers. I presently have a
Hallicrafters R-45/ARR-7 on a longwire.

Do let us hear from you if
you pick us up again. I promise you
won't have to wait so long for
verification.

Yours truly,

Patty Anne Collins, Maintenance Engineer
